juliescelfo I just left a screening of a Lady Bird and have three things to tell you:

- 1. Greta Gerwig kicks ass.
- She is one of the #womenwhomakeny.
 Go see this movie.

Thank you @womenandhollywood for giving Gerwig a mic, and thanks Greta for being such a thoughtful ambassador for réalisatrice.

#YouWereNeverReallyHere is tense, heartpounding, and brutally gorgeous. Joaquin Phoenix is stellar. Another Lynne Ramsey masterpiece. Thank you so much to @melsil @WomenaHollywood and @AmazonStudios for hosting us tonight!

Your support made a great difference. It's the best opening Lynne has had in the U.S. and we're thrilled.
